

Virginia Celebrates the Ford V-8

We've planned a wide variety of events and tours to interest every member of your family. Naturally, we'll have Concours judging, Touring and Display classes, but we'll also give you the opportunity to take in many of the sights for which Northern Virginia and the DC metropolitan area are famous. The District of Columbia with the Mall and all the monuments, George Washington's Mount Vernon, historic Old Town Alexandria, beautiful Loudon county and of course the awe-inspiring National Air and Space Museum's new Udvar-Hazy Center that houses historic aircraft from the Enola Gay to the Space Shuttle Enterprise to the first 707 to the Concorde SST.

1940 V-8 60 HP Engine

At the conclusion of the 2007 meet, the Northern Virginia Regional Group will donate this beautifully restored and fully functional 1940 V-8 60 HP to the Early Ford V-8 Ford Foundation. The display and engine were built and restored by NVRG member Ray Kunsman. See the May/June issue of V-8 Times for full details.
