

Up Front with the President

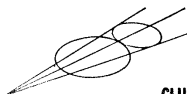

Well, Summer is over and Fall is here. The club will be a year old pretty soon. I hope we can get a 100% renewal of memberships as well as the same number of new members in 1979. This month's meeting will be a good one at the Fair City Mall on Rt. 236. The topic will be Dupont Paint. It will be put on by the local Dupont representative. Let's show our interest and have a big crowd at this meeting. Bring a friend for November and December. The floor will be open for nominations for 1979 officers. Get involved and join and volunteer for activities.

Mike Gall, President
